**The Good Water News** is the magazine of the Nebraska Rural Water Association and is printed four times a year. It has a circulation of approximately 1250. Advertising is open to anyone.

We do not do design work. **New or changed ads need to be camera ready.** The ad may be sent as a hard copy or on a disk either to us or directly to the printer at [pubprint@pubprinting.com](mailto:pubprint@pubprinting.com) in one of the following formats: pdf, jpeg, or tif. If a disk or artwork is sent directly to the printer, a hard copy must be sent to our office for our records. Ads must be paid in advance and will not be published until payment is received.

Indicate size and if ad is to be published once or for the entire year:
